

INNOVATIVE AND UNIQUE
No product on the market compares to AGRiliq.

Why should you be using an *AGRiliq* liquid supplement?

One very good reason is because ***AGRiliq*** boosts feed conversion (as proven in University testing) like no other.

A second good reason is because ***AGRiliq*** boosts production of microbial protein in the rumen (as proven in University testing) like no other.

Make good use of your dry standing and baled feeds now with *AGRiliq*.

How can you use *AGRiliq* ?

- Spray ***AGRiliq*** on fodder crops before harvesting.
- Inject ***AGRiliq*** into bales using a lance.
- Pour ***AGRiliq*** over fibre as it is fed out.
- Pour ***AGRiliq*** over copra meal or DDG in troughs.
- Add ***AGRiliq*** to TMR mixers.
- Dilute ***AGRiliq*** with water 10:1 (daily use only).
- Have ***AGRiliq*** included in your next order of pellets or nuts from your favorite feed mill.

*NB. We do NOT recommend adlib feeding of any of the *AGRiliq* liquid concentrates. They are designed to be used with a meal or fibre source.*

Please let us know your innovative way of getting the unique benefits of *AGRiliq* to your livestock.
